Thai Abstract	v
Table of Contents	vii
List of Tables	x
List of Figures	xi
Abbreviations and Symbols	xii
Chapter 1. Introduction	1
1.1 Statement of the Problem	1
1.1.1 Background	1
1.1.1.1 Agriculture and national economic development	1
1.1.1.2 Agricultural industrialization and rural development	1
1.1.1.3 Historical development of rural enterprise in China	2
1.1.1.4 Significance of rural enterprises in Chinese economy	3
1.1.2 The Problem	8
1.2 Objective of the Study	10
1.3 Usefulness of the Study	10
1.4 Hypotheses of the Study	11
1.5 Literature Review	12
1.5.1 Several Definitions of Market Orientation	12
1.5.2 Two Perspectives on the Content of Market Orientation	13
Chapter 2. Research Methods	14
2.1 Definition of Key Terms and Variables	14
2.2 Conceptual Framework and Concept Tables	18
2.2.1 Concept table for objective 1	19
2.2.2 Concept table for objective 2	20

2.3 Data and Sampling Procedure	21
2.4 Data Collection	22
2.5 Data Analysis	23
2.5.1 How to quantify the data?	23
2.5.2 Antecedents of implementing MOM in RE (1 st objective)	24
2.5.3 Consequences of market orientation management (MOM) on business performance (BP)	25
2.5.4 The test of three moderating factors' effects on the relationship between MOM and BP	25
Chapter 3. Geographic & Socio-economic Background, Rural Enterprise Development in Henan Province	27
3.1 General Introduction to Henan Province	27
3.1.1 Geographic location	27
3.1.2 Reform and opening up policy	29
3.2 Chinese Rural Industrialization and Rural Enterprise Development	30
3.3 Rural Enterprises in Henan Province	33
3.3.1 Historical process of rural enterprise development in Henan province	33
3.3.2 Current situation of rural enterprises in Henan province	36
Chapter 4. Antecedents for Rural Enterprises to Implementing Market Orientation Management	39
4.1 General Characteristics of the Sampled Enterprises and Informants	39
4.2 Description of Sampled Rural Enterprises	43
4.2.1 The Organizational Structure of Rural Enterprises	43
4.2.2 Management system of rural enterprises	44
4.2.2.1 Management system in the bigger REs	46
4.2.2.2 Management system in the smaller REs	52
4.3 Preconditions Analysis of Market Orientation Management	54
4.3.1 Test for hypothesis 1	62
4.3.2 Test for hypothesis 2	63
4.3.3 Test for hypotheses 3 and 4	63
4.3.4 Test for hypothesis 5	64

4.3.5 Test for hypotheses 6 and 7	64
4.3.6 Test for hypothesis 8	65
Chapter 5. The Impact of Market Orientation Management and Three Moderating Factors on Business Performance of Rural Enterprises	66
5.1 Impact of Market Orientation Management on Objective Business Performance	66
5.1.1 Quantifying objective business performance and market orientation with its three components	66
5.1.2 Regression result analysis and discussion for hypothesis 9	68
5.2 The Effect of Three Moderating Factors on the Relationship between Market Orientation Management and Business Performance (Tests of Hypotheses 10, 11, and 12)	72
Chapter 6. Summary and Conclusion	75
6.1 Summary of the Findings	75
6.2 Conclusion	78
6.2.1 Managerial implications about how to improve market orientation management in rural enterprise	78
6.2.2 Policy implication about how to encourage the implementation of market orientation management in rural enterprises	80
6.3 Problem and Research Direction	80
REFERENCES	83
APPENDIX: Questionnaire	86
CURRICULUM VITAE	96

LIST OF TABLES

	Page
Table 1.1 Comparison of RE Development in China (in selected years)	2
Table 2.1 Proposed preconditions' effects on the three aspects of market orientation management in RE.	19
Table 2.2 Independent variables and their proposed sign in regression analysis	20
Table 2.3 Three moderating factors' hypothesized effects on the linkage between market orientation and business performance	21
Table 2.4 Data sampling and collection	22
Table 3.1 Historical Rural Enterprises Development (1978-1997)	35
Table 3.2 Rural enterprise industry type and number	36
Table 4.1 Sampling Aggregate Data	40
Table 4.2 Analysis of sample reliability	42
Table 4.3 The scores of internal management factors, market orientation, and subjective business performance of sampled rural enterprises.	48
Table 4.4 Preconditions analysis of market orientation management 4-1	56
Table 4.5 Preconditions analysis of market orientation management 4-2	59
Table 4.6 Preconditions analysis of market orientation management 4-3	60
Table 4.7 Preconditions analysis of market orientation management 4-4	61
Table 5.1 Descriptive statistics of variables	67
Table 5.2 Regression Coefficients estimated for Hypothesis 9	69
Table 5.3 Employee education level of sampled REs	71
Table 5.4 Regression Coefficients estimated for Hypothesis 10-12	73

LIST OF FIGURES
