### Acknowledgements

First of all, I sincerely express my profound gratitude and respect to Assoc. Prof. Dr. Tavatchai Radanachaless, my thesis advisor, for his intellectual supervision, invaluable guidance and comments to the successful completion of my thesis.

I am deeply grateful to members of the thesis committee, Assoc. Prof. Kesinee Ramingwong, Lect. Dr. Tanachai Pankasemsuk, Assist. Prof. Dr. Soraya Ruamrungsri, and Assoc. Prof. Dr. Tragool Tunsuwan who have provided me with valuable comments and suggestions on the research contents. This study would not have completed without their support.

I would like to express my thanks to Ajarn Phrek Gypmantasiri who gave me valuable comments that contributed to the successful completion of my thesis.

My hearty thanks and appreciations go to Ms. Daranee Kiatsakun, Ms. Armonnat Chattrakul, the Horticulture laboratory officers, staff of the Multiple Cropping Center, Chiang Mai University including Ms. Rungtip Utumpan, Ms. Jongrak Moonfoui, Ms. Wannaporn Kasemsri and Mr. Vorraveerukorn Veerachitt. The post-graduate and undergraduate students of Horticulture department from years of 2001-2004 who provided me with assistance to complete my study.

I would like to thank the Postgraduate Scholarship of Graduate School, Chiang Mai University for providing me with partial funding. Additional financial support was granted from the Faculty of Technology, Mahasarakham University. I thank them both for their encouragement and support throughout the study period.

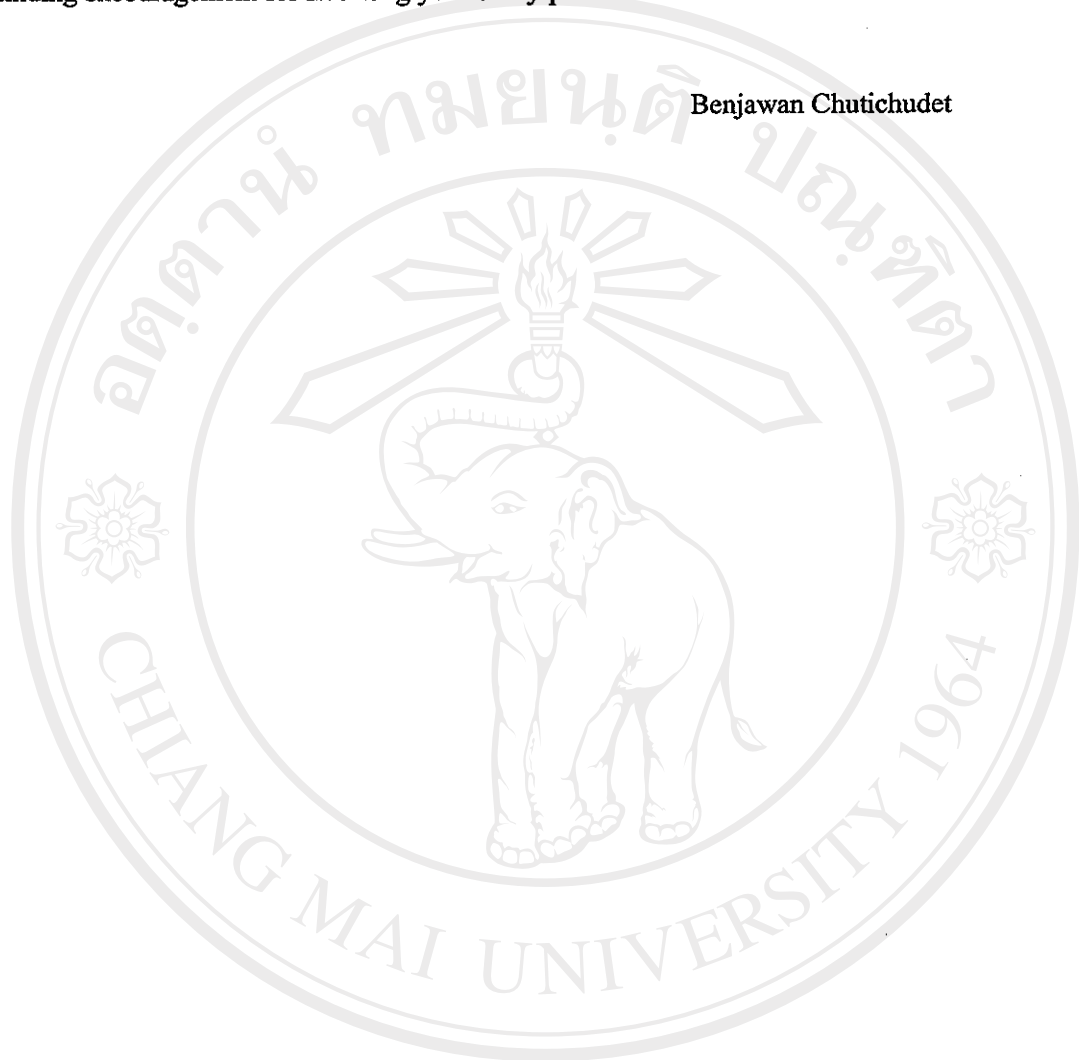

My sincere appreciation is extended to all mango farmers of Doi Lor and Chiang Dao districts, Chiang Mai province for their cooperation with the survey questionnaires and their agreement to conduct the experiments in their fields.

Sincere thanks to Mr. Mike Griffiths who worked hard to improve my English.

It is my pleasure to devote this thesis to my dear pass away father and mother, Mr. Pravit and Mrs. Nipa Chutichudet, who were a source of inspiration and encouragement to me to overcome every difficulties and complete my study.

Lastly, my heartfelt gratitude goes to the my beloved husband, Assoc. Prof. Prasit Chutichudet and two daughters Pasinee and Thanaporn Chutichudet for their love, understanding and continuing encouragement for five-long year study period.

Benjawan Chutichudet
