

CURRICULUM VITAE

Name: Mr. Pichai Surapornpiboon

Birth: 7 September 1960

Academic record:

| Qualification | Area of concentration | Year | Institution |
|---------------|-----------------------|------|-----------------------|
| M.S. (Agric.) | Plant breeding | 1990 | Chiang Mai University |
| B.S. (Agric.) | Agronomy | 1982 | Chiang Mai University |

Other training:

1992 Irrigation and Extension at Israel

Publications and papers:

Surapornpiboon, P., Julsrigival, S., Senthong, C., and Karladee, D. 2004. Variation of silicon concentration in upland rice genotypes under drought. p. 101-106. *In Proceedings: The 4th National Symposium on Graduate Research.* August 10-11, 2004. The Lotus Pang Suan Kaew Hotel, The Graduate School, Chiang Mai University.

Surapornpiboon, P., Julsrigival, S., Senthong, C., and Karladee, D. 2004. Ability of silicon accumulation in upland rice genotypes. p. 177. *In Proceedings: The 1st International Conference on Rice for the Future.* 31 August – 3 September, 2004. Kasetsart University, Bangkok.

Surapornpiboon, P., Julsrigival, S., Senthong, C., and Karladee, D. 2007. Role of silicon for drought resistance in upland rice. p. 206. *In Proceedings: The 8th National Graduate Research Conference, “Thai Graduate Studies under His Royal Beneficence”.* 7-8 September, 2007. Salaya, Nakornpathom, Thailand.
