ACKNOWLEDGMENT

Gratefully thanks are giving to Dr. Tri Indrarini Wirjantoro, my thesis advisor, who always gives the great support and sharing experimental techniques in my whole work and takes care me through suggestion and discussion.

I thank Assoc. Prof. Dr. Aphirak Phianmongkhol and Mr. Vichai Harnpanichpun for being my examining committee and give some comments for this thesis. Their support, guideline and encouragement were highly appreciated.

I would like to give special thanks to my family, especially my mother and father, for their love and financial support throughout my study.

Special thanks to technicians of the Division of Food Science and Technology, Faculty of Agro-Industry, Chiang Mai University for their support and kind assistance.

Finally, I wish to thank all of my friends for supporting and cheering me up every time.
