ACKNOWLEDGEMENT

Firstly, I would like to express my highest gratitude and indebtedness to Lect. Dr. Nopasit Chakpitak, my thesis advisor who devoted his valuable time to teach, advise and support me in all directions during my life as a doctoral student and during my work on a thesis. I would like to express my thanks to all committee members including, Assistant Professor Dr. Suchart Yammen, Lect. Dr. Komsak Meksamoot, Lect. Dr. Tirapot Chandarasupsang and Lect. Dr. Pradorn Sureephong, for their valuable comments and support needed to complete this thesis. I would like to give special thanks to Associate Professor Dr. Chada Narongrit for her kind help in result evaluation in this thesis.

Finally, I am greatly indebted and grateful to my parent, Mr. Thanom Khankasikam and Mrs. Mukda Khankasikam, for all of their great devotion to my life. Thank you.

Krisda Khankasikam
