

TABLE OF CONTENTS

Acknowledgement	iii
Abstract	iv
Abstract in Thai	vii
Table of Contents	x
List of Tables	xv
List of Figures	xvii
Chapter 1: Introduction	1
1.1 Statement of the Problems	1
1.2 Objectives of the study	9
1.3 Research Questions	10
1.4 Scope for study	10
1.4.1 A case study at Montfort College, Secondary Section's English program	10
1.4.2 Scope of population and sampling group	12
1.5 Definition	13
Chapter 2: Literature Review	15
2.1 Diverse workforce management	17
2.2 Cross-cultural Theory	19
2.2.1 Hofstede's Theory	21
2.2.2 Individualism vs. Collectivism	24
2.3 Building shared vision	42
2.4 Knowledge Management (KM)	56

2.4.1 Knowledge sharing and Type of <i>ba</i>	58
2.4.2 The CommonKADS methodology	61
2.5 A case study Theory	67
Chapter 3: Research Methodology	71
3.1 Design concept of methodology	72
3.1.1 Overview design concept of methodology	73
3.2 Stakeholders Analysis	76
3.3 Initial Investigation	80
3.3.1 Plan how to delineate the EP problems	81
3.4 Qualifying Samples	85
3.5 Research Design	87
3.5.1 Design a case study model	88
3.5.2. Proposition of research structure	90
3.5.3 Method design	91
3.5.3.1 Phase1: Confirming cross-cultural communication problem	91
3.5.3.2 Phase2: Formulating problems and suggestions	91
3.5.3.3 Phase3: Design a solution	91
3.5.3.4 Phase 4: Verifying the solution	93
3.5.4 Data collection & Data analysis	93
3.5.4.1 Data collection	93
3.5.4.2 Data analysis	96
3.5.5 Research experiment	97
3.5.5.1 Confirming cross-cultural communication	98

problems	
3.5.5.2 Formulating problems and suggestions	98
3.5.5.3 Design a solution	100
3.5.5.3.1 System requirements	101
3.5.5.4 Verifying the solution	102
3.5.5.4.1 Conceptual design	102
3.5.6 Result, Analysis, Discussion, and conclusion	112
3.5.7 Quality Control	112
Chapter 4: Research Experiment	115
4.1 Research experiment	116
4.1.1 Phase 1: Confirming cross-cultural communication problem	116
4.1.1.1 Methodology	116
4.1.2 Phase 2: Formulating problems and suggestions	119
4.1.2.1 Methodology	123
4.1.3 Phase 3: Design solution	126
4.1.3.1 System requirements	126
4.1.3.2 Step operation	127
4.1.3.3 Methodology	133
4.1.4 Phase 4: Verifying the solution	138
4.1.4.1 Conceptual design	138
4.1.4.1.1 The first step: OM-1	140
4.1.4.1.2 The second step: OM-5	142

4.1.4.1.3 The third step: OTAM-1	143
Chapter 5: Analysis, Discussion, Conclusion	148
5.1 Initial investigation	148
5.2 Research Findings	149
5.2.1 Phase1: Confirming cross-cultural communication problem	150
5.2.1.1 Results of confirming cross-cultural communication problem	152
5.2.1.2 Results analysis of confirming cross-cultural communication problem.	152
5.2.2 Phase 2: Formulating problems and suggestions	154
5.2.2.1 Results of formulating problems and suggestions	155
5.2.2.2 Analysis results of formulating problems and suggestions	156
5.2.3 Phase 3: Design a solution	172
5.2.3.1 Practice Level: personal vision and team vision	173
5.2.3.1.1 Results of Practice Level: personal vision and team vision	173
5.2.3.1.2 Result analysis	175
5.2.3.2 Principle level: inter-team vision	175
5.2.3.2.1 Results of inter- team vision	176
5.2.3.2.2 Results analysis	176
5.2.4 Phase 4: Verifying the solution	177
5.2.4.1 Test 1	177
5.2.4.1.1 The results of Test 1	178

5.2.4.1.2 Results analysis of Test 1	178
5.2.4.2 Test 2	179
5.2.4.2.1 The results of Test 2	180
5.2.4.2.2 Results analysis of Test 2	182
5.2.4.3 Test 3	185
5.2.4.3.1 The results of Test 3	186
5.2.4.3.2 Results analysis of Test 3	188
5.3 Conclusion	216
5.4 Research limitation	222
5.5 Research novelty	223
5.6 Research generalization	223
References	224
Appendices	234
Appendix A Initial investigation	235
Appendix B The results of formulating problems and suggestion	242
Appendix C The results of co-creating:shared vision process	257
Appendix D Results of verifying the solution (OM-1, OM-5, OTAM-1)	269
Curriculum Vitae	304

LIST OF TABLES

Table	Page
2.1 Related cross-cultural theory in mananging	
Cross-cultural workforce relationship	20
2.2 Hofsted's Dimension of Culture Scales (Western country)	27
2.3 Hofsted's Dimension of Culture Scales (Eastern country)	27
2.4 Traits of Individualism vs. Collectivism in terms of value	28
2.5 Traits of Inividualism vs. Collectivism in terms of societal norm	31
2.6 Traits of Individualism vs. Collectivism in terms of family, personality and behavior, and schools	33
2.7 Traits of Individualism vs. Collectivism in terms of societies: work situation and management methods	38
3.1 The design concepts of methodology	75
3.2 The analyzed stakeholders' needs	78
3.3 A case study model of the EP	89
3.4 No. 1 Worksheet OM-5 Business Feasibility:	
Valuation of Mondy investment	106
3.5 No.2 Worksheet OM-5 Technical Feasibility:	
Not too difficult to operate	107
3.6 No.3 Worksheet OM-5 Project Feasibility	108
3.7 No. 4 Worksheet OTAM-1: Impact on the organization	109
3.8 No. 5 Worksheet OTAM-1: Impact on work load and worker	110

3.9 No.6 Worksheet OTAM-1 Improvement and Suggestions	111
5.1 The ordered significant priority of sub-problems in terms of Cross-cultural communication	152
5.2 Rationales of the results: confirming cross-cultural communication based on secondary data	154
5.3 The integrated results of the overlapped and un-overlapped problems suggestions between Western staff; Eastern staff; and administrators in seven areas	157
5.4 The explored knowledge for solving problems in terms of seven areas	172
5.5 The practice level: a team vision	174
5.6 Principle level: inter-team vision	176
5.7 The respond of the refined vision statement	179
5.8 The analyzed inter-team vision (the refined EP vision)	180
5.9 Statement of meaning core discipline level	194
5.10 The key issues from the rationales of administrators in terms of three topics from the refined EP vision	196
5.11 The key issues from the rationales of researcher in terms of three topics from the refined EP vision	197

LIST OF FIGURES

Figure	Page
1.1 The situation of English Program	7
2.1 Perspectives diverse workforce management	18
2.2 The study about Hofstede's dimensions	22
2.3 Building shared vision in terms of level of practice, principles, and essences	44
3.1 Research Methodology	71
3.2 Stakeholders's Needs	77
3.3 The overview of EP management problems	80
3.4 Research design of the EP as a case study	87
3.5 Research structure in form of a case study	92
3.6 Methods design based on a case study	94
3.7 The implementation of confirming cross-cultural communication	99
3.8 Conceptual design: Common KADS: OM-1, OM-5, OTAM-1	105
4.1 Research Methodology	115
4.2 Research method of confirming phase	118
4.3 The physical environment for interaction between administrative staff	122
4.4 The physical environment for interaction between Western staff And Eastern staff	122
4.5 Research methodology of formulating problems and suggestions	125
4.6 The components of system requirements	126
4.7 Design steps of operation	127

4.8 Steps of operation as co-creating: practice, principle, and essences	128
4.9 The created personal vision and team vision in terms of practice level	131
4.10 The created organizational vision as the principle level	132
4.11 The investigated organizational vision as the essences level	133
4.12 Methodology of practice level in terms of system requirements	135
4.13 Research methodology of design a solution phase: principle level	138
4.14 Conceptual design in terms of OM-1: problem opportunity	140
4.15 Conceptual design in terms of OM-5: Business feasibility	
Technical feasibility, Project feasibility	142
4.16 Conceptual design in terms of OTAM-1 worksheet	144
4.17 The overview of conceptual design: OM-1, Om-5, and OTAM-1	146
5.1 Research Methodology	150
5.2 Process of the confirmed a root cause problem in terms of	
cross-cultural communication	151
5.3 Research framework of formulating problems and suggestions	155
5.4 The described diagram of overlapped problems in Area 1	160
5.5 The described diagram of overlapped suggestions in Area 1	161
5.6 The described diagram of overlapped problems in Area 2	161
5.7 The described diagram of overlapped suggestions in Area 2	162
5.8 The described diagram of overlapped problems in Area 3	163
5.9 The described diagram of overlapped suggestions in Area 3	163
5.10 The described diagram of overlapped problems in Area 4	164
5.11 The non-overlapping suggestions in Area 5	165
5.12 The diagram of the influenced building share vision	169

5.13 The organizational vision from OM-5	181
5.14 The confirmed organizational vision using OTAM-1	186
5.15 The organizational vision interms of conceptual design:	
OM-5 and OTAM-1	192
5.16 Building shared vision: level of practice, principles, and essences	193
5.17 A case study: the EP Model as shared vision process	201
5.18 Confirming cross-cultural communication	202
5.19 The classified problems in terms of cross-cultural communication	203
5.20 Formulating problem and suggestions	205
5.21 The consequences of building shared vision	206
5.22 Design a solution as system requirements	208
5.23 The advantage principle level	209
5.24 Verifying the solution	210
5.25 The issues of vision statement in terms of principle level base	
On administrator's opinions	212
5.26 The issues of vision statement in terms essences level base	
On researcher's opinion	213
5.27 The obtained final completed EP level of building shared	
Vision model	215
