Acknowledgements	iii
Abstract (Thai)	v
Abstract (English)	vii
List of Tables	xii
List of Figures	xvi
Chapter 1 Introduction	1
Statement of the problem	1
Research Objectives	22
Research questions	23
Definitions	23
Research assumptions	25
Idea and solutions	25
Research novelty and contribution	26
List of Publications	28
Chapter 2 Literature review	29
Part 1: The concepts of health promotion and health-promoting organizations	29
Part 2: Team and team knowledge	60
Part 3: Performance measurement	81
Part 4: The Balanced Scorecard	99
The conceptual framework for generating team performance indicators	113
Chapter 3 Research methodology	117
Step 1: Clarification of the missions and outcomes of Thai health-promoting teams	120
Step 2: Identification of team knowledge, which included how teams perform and how teams learn	124

TABLE OF CONTENTS (CONTINUED)

	Page
Chapter 3 Research methodology	
Step 3: Generation of team performance indicators for Thai health-promoting teams	128
Step 4: Verification and selection of team performance indicators for Thai health-promoting teams	129
Research ethics	131
Summary	132
Chapter 4 Results	133
Part 1 (1): General information on the samples in each step	134
Part 1 (2): Consideration of the research process	140
Part 2: Research results and analysis	143
Step 1: Clarification of teams' missions and of the outcomes of Thai health-promoting teams	143
Step 2: Identification of team knowledge, which included how teams perform and how teams learn	148
Step 3: Generation of team performance indicators for Thai health-promoting teams	182
Step 4: Verification and selection of team performance indicators for Thai health-promoting teams	196
Summary	208
Chapter 5 Discussion	212
Part 1: The four steps of the research process as action research	213
Part 2: The Balanced Scorecard	223
Part 3: Critical team performance indicators	232
Summary	253

TABLE OF CONTENTS (CONTINUED)

	Page
Chapter 6 Conclusions	255
Part 1: The answers to four research questions	256
Question 1: What is the knowledge of Thai health-promoting teams?	256
Question 2: How is the knowledge of Thai health-promoting teams applied in developing team performance indicators?	258
Question 3: How do team performance indicators reflect the performance of Thai health-promoting teams?	259
Question 4: Using a modification of the Balanced Scorecard, how does the process of development of team performance indicators reflect the performance of Thai health-promoting teams?	265
Part 2: Research application and generalization	268
Part 3: Research limitations and the suggestions for future research	271
Summary	272
References	274
Appendices	288
Appendix A The semi-structured interview questions for in-depth interview key informants	289
Appendix B The semi-structured interview questions for informal interview team partners	292
Appendix C The questions for After Action Review in learning forum (29 April – 1 May 2008)	293

Appendices	
Appendix D The questionnaire for verifying and selecting team performance indicators	295
Appendix E The interview questions for informal interview to verify and select team performance indicators	305
Curriculum vitae	306

LIST OF TABLES

Table	Page
1.1 Outputs of provincial teams during 2005-2007	19
2.1 Types of Learning	77
2.2 Leaders' tasks and tools	79
2.3 Comparison of the 12 excluded performance measurement systems	95
2.4 Comparison of original perspectives with re-labeled perspectives in non-profit and health organizations	109
2.5 Relationships between perspectives in different non-profit organizations	111
3.1 Research processes	119
4.1 General information on the 16 key informants, from in-depth interviews	135
4.2 General information on the 17 partners, from informal interviews	136
4.3 General information on key informants in the verification and selection step	139
4.4 Health-promoting teams' vision, missions and outcomes	143
4.5 Formulated indicators for reflecting team performance indicators from teams' missions and outcomes	147
4.6 Reasons for joining the network and the main partners of the selected provincial teams	150
4.7 Categories, purposes and the techniques of how Thai health-promoting teams perform	157
4.8 Degree of the techniques of how Thai health-promoting teams perform that were used by each team	160-161
4.9 Formulated indicators for reflecting team performance from the techniques of how Thai health-promoting teams perform	165-166
4.10 Knowledge from After Action Review	170

LIST OF TABLES (CONTINUED)

Table	Page
4.11 Themes, purposes and the techniques of how Thai health-promoting teams learn	172
4.12 Techniques of how Thai health-promoting teams learn that were used by each team	173
4.13 Formulated indicators for reflecting team performance from the techniques of how Thai health-promoting teams learn	178
4.14 Overlapping indicators from different resources	180
4.15 Distinct indicators in different resources	181
4.16 Formulated indicators for reflecting team performance in teams' missions and outcomes, which were classified into five perspectives	183
4.17 Formulated indicators for reflecting team performance from the techniques of how Thai health-promoting teams perform, which were classified into five perspectives	184-186
4.18 Formulated indicators for reflecting team performance from the techniques of how Thai health-promoting teams learn, which were classified into five perspectives	187-188
4.19 The first set of team performance indicators	190
4.20 The first set of team performance indicators and sub-perspectives	193-195
4.21 Reasons for weighting each perspective	197
4.22 Indicators that were commented from the questionnaire	198
4.23 Weight for each indicator from focus group discussion	201-203
4.24 Critical indicators in each perspective	204, 260
4.25 Comparison of the first set and the final critical team performance indicator	209-211
5.1 Substantial analysis for three types of teams from the research process	215

LIST OF TABLES (CONTINUED)

Table	Page
5.2 Critical team performance indicators and the substantial analysis of Thai health-promoting teams	217
5.3 Relationships between the critical team performance indicators and teams' missions and outcomes	233
5.4 Relationships between critical team performance indicators and "how-to" knowledge of teams	235-237
5.5 Critical team performance indicators and types of knowledge	246
6.1 Guideline questions for clarifying teams' types and characteristics and the reasons for asking them	268
6.2 Guideline questions for selecting an appropriate performance measurement system and the reasons for asking them	269

LIST OF FIGURES

Figure	Page
1.1 Organizational structure of Thai Health Promotion Foundation	7, 54
1.2 Six perspectives for performance measurement of Thai Health Promotion Foundation	9, 56
1.3 Organizational structure of the ‘Sweet Enough Network’	14
2.1 Strategies of Thai Health Promotion Foundation	55
2.2 Tacit and explicit knowledge model	72
2.3 Stages of Learning	76
2.4 The Balanced Scorecard links performance measures	102
2.5 The original strategy map for profit organizations	103
2.6 Four strategic management processes of the Balanced Scorecard	105
2.7 The conceptual framework for generating team performance indicators for Thai health-promoting teams	116
5.1 Model used in this study for the development of team performance indicators by modifying the Balanced Scorecard	231
