## ACKNOWLEDGEMENTS

I have taken efforts in this thesis. However, it would not have been possible without the kind support and help of many individuals and organizations. I would like to extend my sincere thanks to all of them.

I am highly indebted to my kind and generous advisors, Instructor Supassara Sirabanchongkran, Instructor Wikanda Khemaleelakul, Instructor Janya Apisariyakul and Professor Dhirawat Jotikasthira for their guidance, constant supervision, valuable suggestions, comments and encouragements regarding this thesis.

Besides my advisors, I would like to express my special gratitude to Instructor Wiputsinee Tuen-aree for her comments and encouragements.

I would like to thank to the Faculty of Dentistry, Chiang Mai University for the financial support, to the Dental Materials Laboratory Unit, Faculty of Dentistry, Chiang Mai University and their staffs for suggestions on using and permission to use the incubator, the thermocycling machine and the universal testing machine (Instron<sup>®</sup>) and to all of the staff members in the Department of Orthodontics and Pediatric Dentistry, Faculty of Dentistry, Chiang Mai University for their assistance from the beginning to the end of my study.

I also would like to express my gratitude and thanks to Jico Intertrade Co., Ltd., Orthodonticline Co., Ltd., Dental-Siam Enterprise Co., Ltd. and Accord Corporation Ltd. for kindly supplying the materials used in this study.

I am grateful to Instructor Narumanas Korwanich, Department of Family and Community Dentistry, Faculty of Dentistry, Chiang Mai University for suggestions on statistical analysis and to Dr. M. Kevin O Carroll, Professor Emeritus of the University of Mississippi, School of Dentistry, USA, and Faculty Consultant at Faculty of Dentistry, Chiang Mai University, for his assistance in the preparation of the manuscript.

Lastly, I am deeply grateful to my family, who always give love, support and encouragement. I would like to dedicate my thesis to my parents who have been my inspiration to go forward with spirit throughout my life.
