ACKNOWLEDGEMENTS

First of all I would like to express my deepest gratitude to the Lao PDR Government and the Royal Thai Government for providing me with the opportunities to undertake the Master degree of Science (International Program in Health Sciences) at Chiang Mai University.

I would like to express my sincere gratitude to the Royal Thai Embassy in Lao PDR and the Thailand International Development Cooperation Agency (TICA) of Ministry of Foreign Affairs of Thailand for granting a three-and-half-year scholarship for me to work as a research assistant and attend the master degree program in Chiang Mai, Thailand.

I gratefully acknowledge my advisory committee, my special thanks to Asst. Prof. Siwaporn Chankrachang, major advisor, Assoc. Prof. Dr. Suwat Chariyalertsak, and Mr. Chamnong Kingkeow, co-advisor for their guidance, encouragement and valuable suggestions throughout my study.

I would like to thank Assoc. Prof. Bounxay Thorvisouk, Previous Dean of Faculty of Medical Sciences, National University of Laos, Dr. Manivanh Souphanthong, Director, Department of Medicine, and their colleagues for their support and facilitation during my study. My deeply appreciation to Assoc. Prof. Sing Menorat, Vice Dean of Faculty of Medical Sciences, Dr. Yhommarika Sinrapa, Director, Department of Out Patient and Emergency of 103 Hospital, Dr. Boaulite Inthaphanyasak, Director, Department of Out Patient of Mitthapab Hospital, Assoc.

Prof. Khampae Pongsavath, Vice Director of Sethathirat Hospital, Dr. Thanakan Southammavong, Director, Department of Out Patient of Mahosot Hospital and their staffs for their kind assistances and facilitation during my data collection in Laos.

I sincerely thank to Ms. Chidchanok Ruengorn, lecturer at Faculty of Pharmacy and biostatistics in MPH program, Chiang Mai University, for her kind assistances and suggestions in some parts of data analysis, Dr. Pised Methapatara, external committee from Suan Prong Hospital in Chiang Mai for his comments on my thesis.

I also wish to thank Ms. Sureerat Potipim, Program Officer of TICA, Ms. Sriprai Pundach, Head of Protocol and Information Department of CMU, all the staff of Research Institute of Health Sciences, Department of Graduate School and Northern Neurological Center of Thailand who ever encourage, help me in the past three and half years in Chiang Mai University , Thailand.

Finally, I would like to give my special thanks to my family and my friends for their loving, understanding, helping and warm friendship which will never be forgotten.
